

ANNOUNCEMENT FROM SIGNATURE DENTAL CARE, PA

NOTICE OF TEMPORARY CLOSURE

Dear Patients,

In light of the evolving Covid-19 pandemic and the Executive Order signed by Governor Desantis on March 20, 2020, all practicing dentists in the state of Florida have been ordered to cease performing non-essential services.

The order is in effect until May 8, 2020.

It is our hope that the Covid-19 situation improves with all of the preventative measures that are being taken, and that the Order will be modified so that we may treat our patients as soon as possible and re-open our office.

If you have an appointment scheduled with us in the next 3 weeks, our office will be in touch to help reschedule your appointment.

In the case of emergency situations, Dr. Schnell will be on call to assist established patients. The emergency cell phone # is 352-533-1969.

We will continue to monitor the situation as it evolves. We will make the necessary changes and notify you via email or phone when we have new information.

Please understand that these decisions are being made with the health and well-being of our patients, our families, our team, and our community in mind.

We thank you for your patience during this challenging time and wish you continued health.

Sincerely,
